Introduction

For this assignment we were asked to make a poster on any tool to show data visualization. The poster should focus on different kinds of analysis that can be done for big data. For this assignment I decided to go with the data visualization tool “Looker”.

The poster will be attached in the same zip file as this document in png and pdf format.

References in the poster

1. What is Data visualization? (Looker, 2021) and (geeks, 2021)
2. The visualization (Pedamkar, 2020b) and (Phaujdar, 2021)
3. What is Looker? (Looker, 2021) and (geeks, 2021)
4. Kinds of analysis (Pedamkar, 2020a) and (Phaujdar, 2021)
5. Visual examples of analysis (Phaujdar, 2021)
